

**INDIAN SOCIETY FOR CERTIFICATION OF ORGANIC PRODUCTS**

**ISCOP OFFER AND TARIFF STRUCTURE – VOLUNTARY CERTIFICATE SCHEME FOR MEDICINAL PLANT PRODUCE (VCSMPP)**

The prospective client shall register with IS COP at a nominal registration fee for staging them to a level of System Plan awareness. Registration does not guarantee certification. Invoice amount may change based on the client's shortcomings that lead to additional time or additional inspections. 80% of the proposed offer is payable before the preparatory stage. Surveillance inspections will be chargeable, if non-compliances are detected during inspection. If the certification committee demands additional inspections, the charges are applicable as per the tariff structure. If the client is not interested to encourage additional inspection, the decision of the certification committee is final and the repayment of advance will be applicable to deductions of total cost or at times fully non-repayable based on the stage of certification process.
